Section 1. Section [ ] is enacted to read:

Period for Early Voting in Person

A) The uniform period for early voting in person in this state shall be up to seven consecutive calendar days, ending on the Friday before Election Day, including Saturdays, Sundays, but excluding legal holidays.

B) If the period of early voting in person includes a legal holiday, the early voting period shall be adjusted to provide seven calendar days of voting.

C) Early voting in person shall be conducted on each day of the early voting period for [12] consecutive hours, between the hours of [7 a.m.] and [7 p.m.]. [Except that voting shall be conducted for at least [nine] consecutive hours on a Sunday].

D) Any eligible voter who is in-line before the close of polls, shall be permitted to cast a ballot.

E) The [election official] shall post notice for each election that includes the dates, hours, and location[s] that early voting in person will be conducted.
